

A watercolor painting of a lake scene. In the foreground, there are several bright red flowers, possibly reeds or sedges, growing in the water. The water is a pale, yellowish-green color. In the background, there is a dense line of trees and bushes, rendered in soft, blended colors of green, brown, and red. The overall style is soft and painterly.

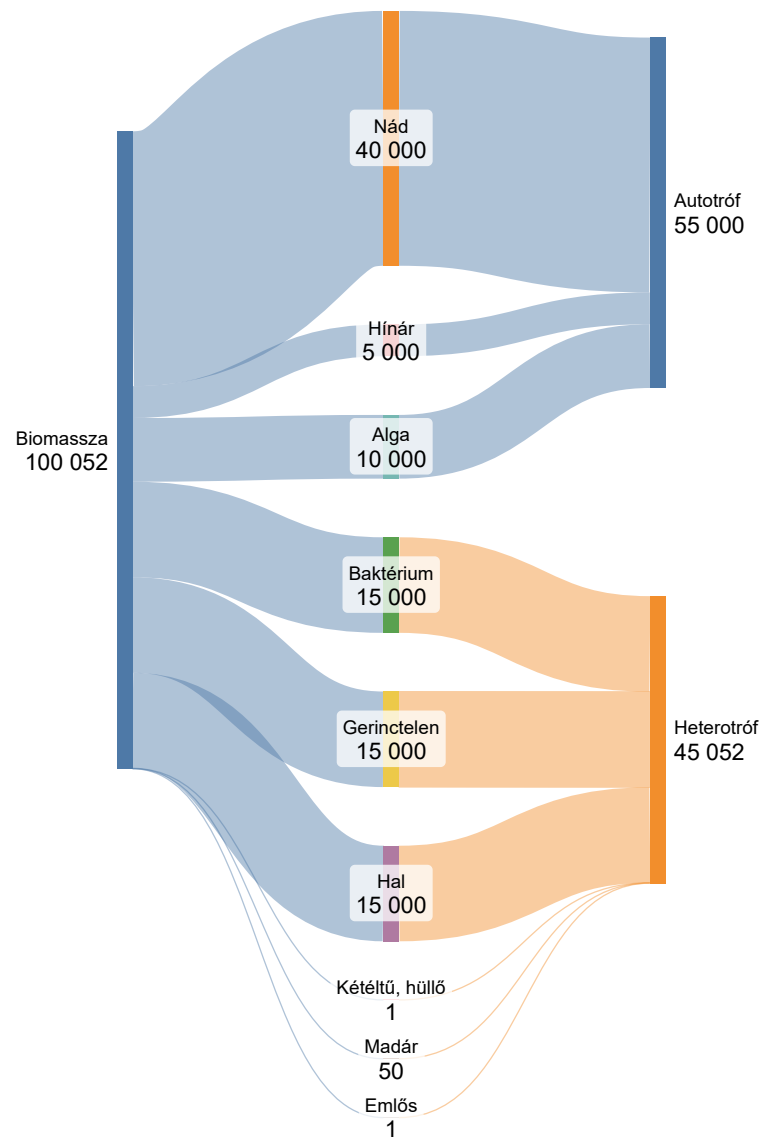

A Balaton ökológiai kihívásai és a part menti élőhelyek szerepe
