

Economic justice

A broader perspective on “development”

May 2025

Historical origins of our sector

“Greater production is the key to prosperity and peace. And the key to **greater production** is a wider and more vigorous application of **modern scientific and technical knowledge**”

“...a bold new programme for making the benefits of our **scientific advances** available for the improvement of **underdeveloped areas**”

Bretton Woods
Institutions (1944)

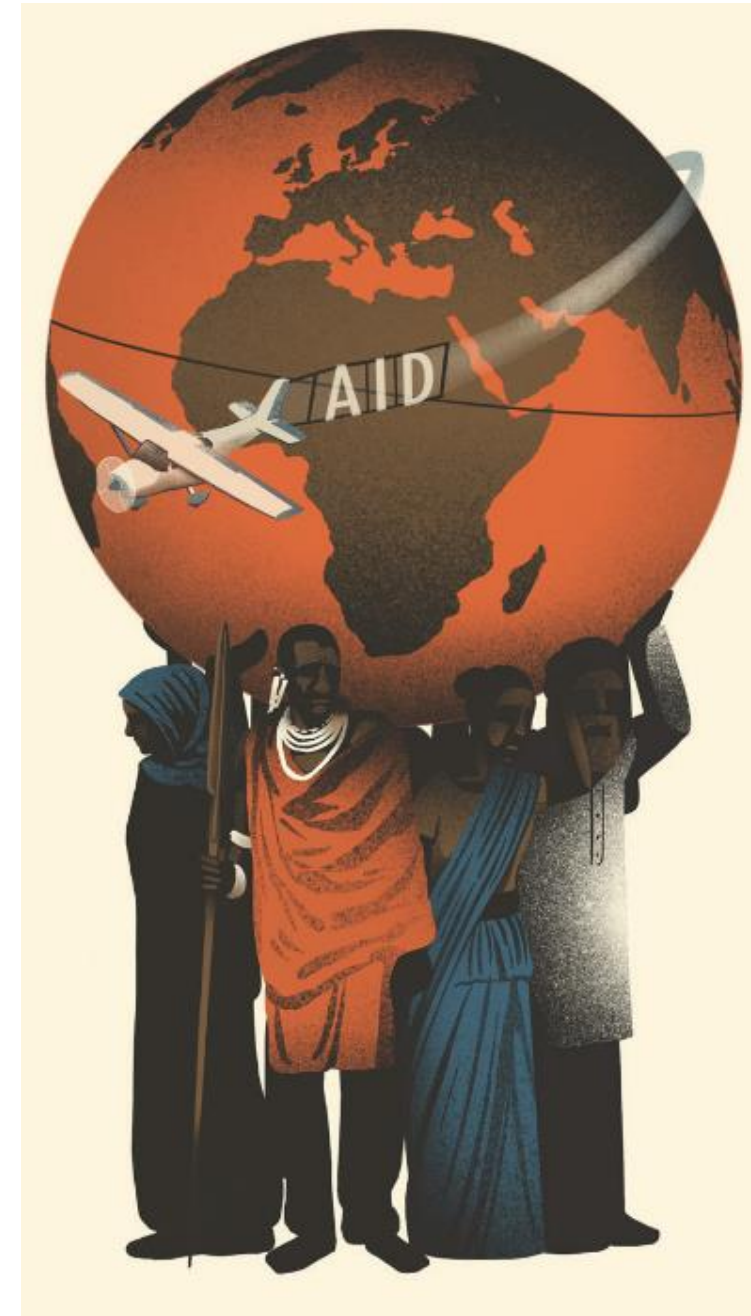

General Agreement
on Tariffs and Trade
(1947)

Mainstream development

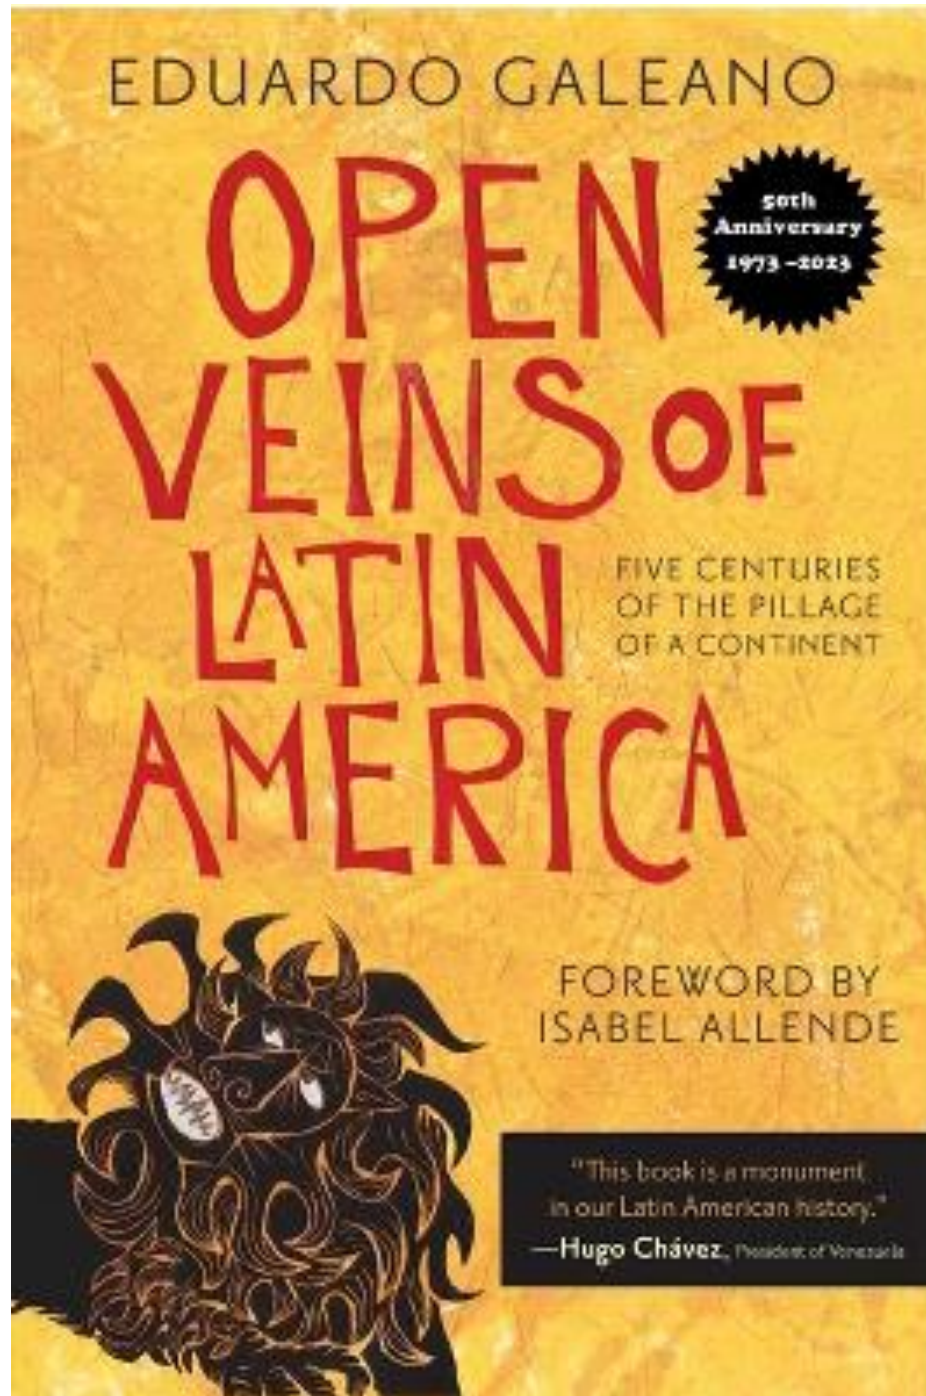

Development = a technical, endemic problem
